Additional MPH Major or Graduate Certificate (12 – 15 credits)

Complete all courses in one of the seven choices below:

   MPH Major in Behavioral, Social, and Community Health (12 credits)
   Successful completion of the following four courses earns the student a second MPH major in Behavioral, Social, and Community Health.
      ___ SPH-B 589 Social and Behavioral Determinants (3 cr.)
      ___ SPH-B 602 Intervention Design (3 cr.)
      ___ SPH-H 562 Health Program Evaluation (3 cr.)
      ___ SPH Behavioral, Social, and Community Health Elective approved by the academic advisor (3 cr.)*

* SPH-H 662 Acquiring and Managing External Funds (3 cr.), would normally be required, but it is required above as a part of the Public Health Administration major. Therefore, a Behavioral, Social, and Community Health elective must be chosen by the advisor, and completed instead.
