   ____3  SPH-E 359 Epidemiologic Methods: Applications
   ____3  SPH-Q 400 Introduction to Biostatistical Computing

Note: Students are responsible for checking with their degree-granting school/unit to determine whether this minor may be officially recorded on the transcript. The various schools on the Bloomington campus may limit the number of credit hours outside their school that will count toward a degree. Students should check with an advisor in their school for information about minor rules.
