+ These courses may be taken as an elective if they were not already taken as a required course.

Student Last name First name 10-digit ID number

Note: Students are responsible for checking with their degree-granting school/unit to determine whether this minor may be officially recorded on the transcript. The various schools on the Bloomington campus may limit the number of credit hours outside their school that will count toward a degree. Students should check with an advisor in their school for information about minor rules.
